

WHEREAS, technology has greatly improved the quality of modern healthcare; and

WHEREAS, patients benefit not only from the skills of physicians and their support staff, but also from biomedical equipment technicians who service the life support and other medical devices used in hospitals and clinics across our state; and

WHEREAS, biomedical equipment technicians apply their knowledge and abilities to a wide range of medical technology, including diagnostics equipment and therapeutic systems, and they install, inspect, calibrate, modify, and repair instruments, while also offering advice regarding clinical application and use; and

WHEREAS, whether working on patient monitors, infusion pumps, EKG machines, pacemakers, radiation devices, or X-ray equipment, these professionals ensure the delivery of efficient and accurate medical care by keeping equipment safe, reliable, and up-to-date; and

WHEREAS, Coloradans are this week encouraged to honor those professionals who support and service modern healthcare equipment.

Therefore, I, Jared Polis, Governor of the State of Colorado, do hereby proclaim May 19-25, 2019 as

HEALTHCARE TECHNOLOGY MANAGEMENT WEEK

in the State of Colorado.

GIVEN under my hand and the Executive Seal of the State of Colorado, this nineteenth day of May, 2019

A handwritten signature in blue ink that reads "Jared Polis".

Jared Polis
Governor
